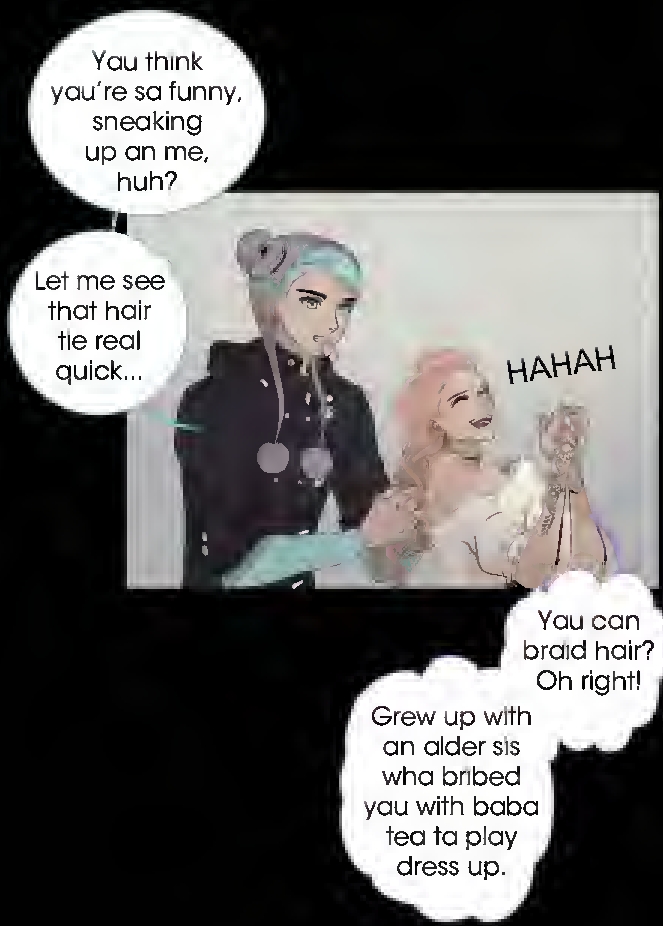
Nightmare Factory

ep. 29

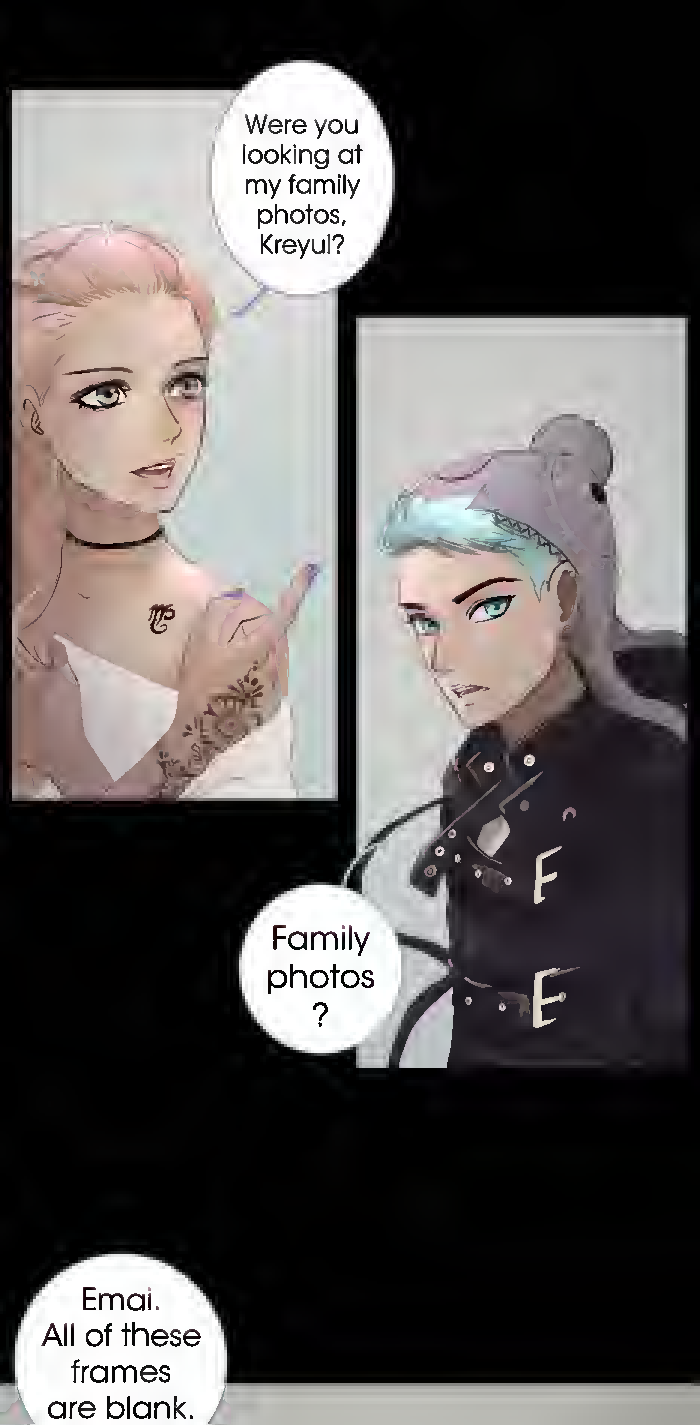
Nothing

Those are some weird picture frames.
Minimalistic ornaments, perhaps?
Did you find what you were seeking, sire?

Ahah~



Yau think yau're sa funny, sneaking up an me, huh?
Let me see that hair tie real quick...
HAHAH
Yau can braid hair? Oh right!
Grew up with an alder sis wha bribed yau with baba tea ta play dress up.



Were you looking at my family photos, Kreyul?
Family photos ?
Emai. All of these frames are blank.

Don't be daft. Here's my insane strict ex-military dad.
He comes home soon.
And this is my least favorite lil' brother...
Even though I only have one little bro
#BOS
It's so

brattY, it steals my food and throws a tantrum upon confrontation.

Uh huh... and what's his name?

`lil Bro. Why?

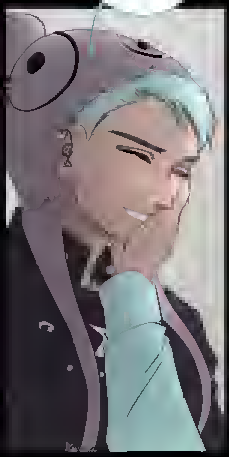
She's messing with me. I'll play along.

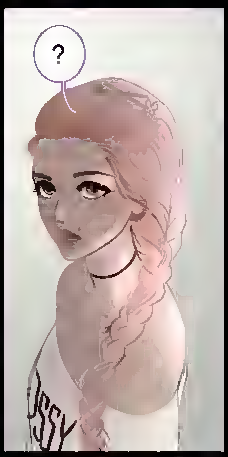
Right. Let me guess, your dad's name is Dad?

No, silly. It's Daddy.

But wow, good guess!

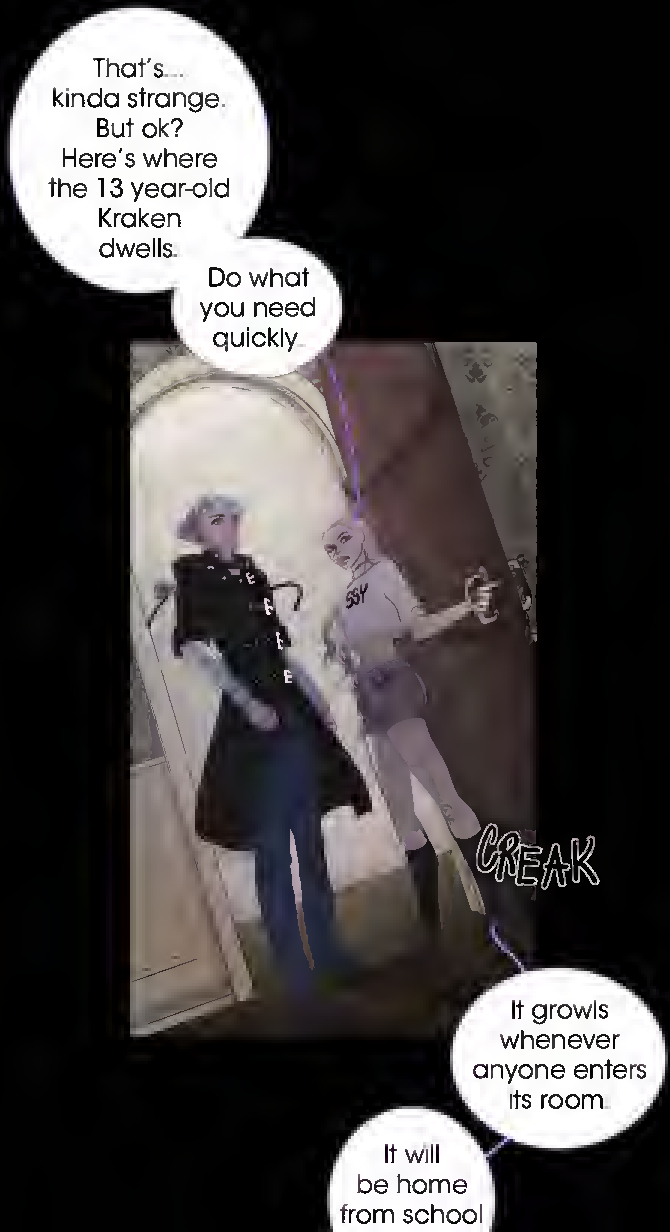
Ahahah That's pretty funny.





Wait, you were serious!? Oh boy...

Odd request but...may I see your lil' brother's room, Emai?



That's... kinda strange. But ok? Here's where the 13 year-old Kraken dwells.
Do what you need quickly.
CREAK
It growls whenever anyone enters its room.
It will be home from school

soon.

CREAK
CREAK
Creepy creaking chair~
Grubby old teddy bear~
Totally a room tailored for a 13 year-old teenage boy.

Emai, I can draw a Mona Lisa on this dusty floor.
Why does this room seem abandoned?
Brats don't clean their rooms?
He's just sloppy like that.
Emai, Zero clothes

in the cabinet.
Kreyul. Laundry day, maybe?
Aw c'mon. There's no way this room is occupied by a teenage boy.
Or anyone for that matter.
No video games. No school

books.
No phone
chorger.
